

Rebecca Mansell  
High School Articulation Specialist  
MS54

**Listed below are the numbers of MS54 students who were accepted for admission in  
September 2018**

(\*Number of applicants refers to applicants from MS54, not total number of applicants received by the school)

SHSAT Schools:

Stuyvesant- 25 offers

Bronx Science- 57 offers

Brooklyn Tech- 31 offers

Lehman- 20 offers

City College- 11 offers

Brooklyn Latin- 5 offers

LAGUARDIA:

50 Students Received offers. Some received multiple offers. A total of 57 offers were made to our students.

NO OFFER: 32 Students received no offer; 7 students received a SHSAT offer only so in total we had 39 students with no non-specialized offer, a few more if you count LaGuardia as a specialized.

TOP SCHOOL STATS:

Beacon: 27 offers for 224 applicants

Millennium: 17 offers for 231 applicants

NEST+ M: 21 offers for 170 applicants

Clinton: 4 offers for 147 applicants

Columbia Secondary: 8 offers for 157 applicants (they accepted a total of 30 non-continuing students city-wide)

Bard Queens: 20 offers for 157 applicants

Bard Manhattan: 20 offers for 131 applicants

Manhattan Hunter: 13 offers for 133 applicants

Eleanor Roosevelt: 5 offers (I believe all District 2) for 140 applicants

Lab- 2 offers for 79 applicants

Museum- 9 offers for 60 applicants

Baruch- 0 offers for 52 applicants

Harvest Collegiate- 4 offers (chosen by computer) for 35 applicants

NYC i-School- 8 offers for 127 applicants (Many of our students did not do the online activity which disqualified them from gaining admission. As a result, several of our top students received no offer.)

WESS- 2 offers for 156 applicants (they only took 4 non-continuing city-wide)

Frank McCourt- 9 offers for 53 applicants

Central Park East- 1 offer for 50 applicants

Park East- 3 offers

Manhattan Center: 10 offers for 49 applicants

Manhattan Village Academy: 0 offers for 46 applicants

Environmental Studies: 9 offers for 29 applicants; honors- 1 offer for 67 applicants

Frank Sinatra- 6 offers

PPAS- 5 offers
